

**AMENDMENT TO THE DRAWINGS**

Please replace the drawing sheet containing Fig. 10 with the attached Replacement Sheet containing Fig. 10. Fig. 10 has been amended to combine amendments made in previous amendments filed on February 17, 2004 and October 27, 2004 and August 12, 2009. The undersigned attorney hereby verifies that no new matter has been added either by deletion and/or addition. Therefore, acceptance of the replacement sheet of drawing containing Fig. 10 is respectfully requested.

**REMARKS**

Entry of this Amendment in response to the December 4, 2009 Office Action, and in supplement to the August 12, 2009 Amendment, is respectfully requested.

By the present amendment, a new replacement sheet of drawing is provided for Fig. 10 which combines all of the corrections from the February 17, 2004 Amendment, the October 27, 2004 Amendment and the August 12, 2009 Amendment. In the December 4, 2009 Office Action, it was indicated that the drawings filed on October 27, 2004 were objected to because they "reverse the corrections to Fig. 10 made in the drawings filed on 02-17-2004." In other words, the drawings filed on October 27, 2004 did not include the drawing corrections made in the February 27, 2004 Amendment. Accordingly, the revised sheet of Fig. 10 submitted herewith now includes the drawing corrections made with the February 17, 2004 Amendment, as well as those made by the October 27, 2004 Amendment. Further, the drawings include the revisions made in the August 12, 2009 Amendment. Therefore, entry of this new replacement drawing for Fig. 10 is respectfully requested.

If the Examiner believes that there are any other points which may be clarified or otherwise disposed of either by telephone discussion or by personal interview, the Examiner is invited to contact Applicants' undersigned attorney at the number indicated below.
